LETTER OF EXPLANATION

Dear Sir,

When originally filed, this application was incorrectly identified as a small entity on the Utility Patent Application Transmittal Sheet, but was correctly identified as a Large entity on the Fee Calculation Sheet and the proper payment for a large entity was submitted with the application. The mistake was discovered on 29 March 2004 when a check was received (stub enclosed) as a refund of excess fees.

This applicant is in fact a large entity. Please note the Large Entity Notification enclosed for clarification. **The additional payment of \$484.00 required for large entity filing status rather than small entity status is also enclosed.** A duplicate copy of this letter is also enclosed.
